WHY US:

WE'RE OUTDOORSY

We cook at an outdoor location of your choosing. Pretty simple!

YOU HOST, WE COOK

Leave the food to us, and keep cool. We handle the setup, the cooking, and the breakdown so you can focus on your guests.

LEAVE NO TRACE

Our setup fee is 175 AWG. This covers the setup and breakdown of our equipment to ensure that everything runs smoothly.

DURATION

Food service lasts up to 3 hours.
Fuego Sureño is up to 4 hours.
Should your guests arrive tardy, or if you prefer additional time for your event, an hourly fee is added to your total. Thank you for your understanding!

WE'RE FLEXIBLE

We love casual, but if you prefer a full-on feast - we got you! If you'd like a plated setting, we can serve on your plateware as you wish.
